

# Mini World Light Boxes

By [Anna Campbell](#)

Teacher Anna Campbell shares this beautiful resource which shares an idea used with children aged between 4 and 7 years old, but one which could easily be adapted for an older class and is brilliant for SEN children/adults.

Our termly project was 'Light' and these boxes were made in 4-5 50 minute sessions as we worked on several different projects. Before we made anything, the children and I had a conversation about 'Light'.
