

Outdoor Art In Urban Gardens

By [Mostyn de Beer](#)

Mostyn de Beer is an experienced artist educator based in Sweden. Mostyn is especially interested in environmental art; his practice investigates links between creating art and environmental education. In this post Mostyn shares a recent project he facilitated with the aim of connecting children to gardening through art.

AccessArt is a UK Charity and we believe everyone has the right to be creative. AccessArt provides inspiration to help us all reach our creative potential.

What We Like About This Resource...

“With many art lessons happening inside classrooms and often seated behind desks – it’s great to see

an idea in practice that involves working outside and working collaboratively. This activity could be adapted to work within a school playground, perhaps with different year groups working together to form a shared artwork. The project could then be extended into further exploration of weaving, using yarn and inventive ways of creating fabrics” – Tobi, AccessArt.
