

Outdoor Sculpture Projects in Primary & Secondary Schools

As part of **Brilliant Makers**, AccessArt would like to expand its resources on 'making in schools' and schools which celebrate making.

This term we're focussing on making outside, so if you have a making project that you'd like to share with AccessArt, we'd love to hear from you.

Please see our guidelines for contributors before you apply.

How To Apply!

Artist/ educators must be full members of AccessArt and based in the UK. The opportunity is also open to art teachers.

Please drop us an email outlining your proposed resource(s). Please also attach two or three sample photographs and briefly outline your teaching expertise.

Please apply by May 30th 2017. Contributors will then have four months to complete the work.
