Drawing with Wire: The Polymeric Approach by Julie de Bastion

A **40 Artist Educator** Resource:
Be Inspired by Julie de Bastion

Facilitated by Julie de Bastion - 'Jungle'

Artist Julie de Bastion shares a wonderful workshop on drawing with wire and monoprinting, to enable participants to create a "drawing within a drawer".

This project was shared with AccessArt as part of the 40 Artist Educator Project, funded by Arts Council England,

aiming to highlight and celebrate artist-led teaching and facilitation.

The Polymeric Approach by Julie de Bastion

The Draw in a Drawer

In response to the nationwide **Big Draw** initiative, participants from **Escape Workshops in Stratford-upon-Avon** took part in the making of delightful “Story Boxes” involving 3D drawing with flexible black wire, and drawing with mono-printing.
