

# Preparing to Use AccessArt In Your School and Introducing It To Staff

As Art Lead, you may have been tasked to run a session to introduce the [AccessArt Primary Art Curriculum](#) to your staff.

In the recording below you will find out:

- How you can transition from your existing scheme.
- Plan, test drive activities with children and teachers.
- Prepare the materials and resources you will need to deliver our curriculum.

We have also created a PowerPoint which you can use to introduce your staff to the AccessArt curriculum. This PowerPoint was made with staff meetings in mind, and is fully editable.
