

Zoom Access Link: The AccessArt Primary Art Curriculum: Pathway Celebration

The AccessArt Primary Art Curriculum: Pathway Celebration.

Wednesday 9th July, 4.00-5.00pm BST.

Free for [AccessArt Members](#).

Since its launch in 2022, [The AccessArt Primary Art Curriculum](#) has been supporting thousands of teachers and educators to deliver a rich and diverse visual art offering. To celebrate this, and champion inspirational practice, we will be hearing from some AccessArt members about their journey using the curriculum pathways, and what impact these have had in their settings.

In this session, we will be joined by teachers who will share examples of work created from several Primary Art Curriculum pathways to provide visual inspiration for how the pathways can be followed or adapted to suit your setting.

Whether you are already using the AccessArt curriculum or are about to start using it, this session will support you in delivering an exciting curriculum that can be adapted to different learning needs, budgets and settings.

Join us for this inspirational session, share in the journey of fellow teachers and ask any questions you may have!

Please note that this event is free and open to [AccessArt members](#) only. Please ensure you can log in well before the event so we can help you with any log-in issues. Please

contact andrea@accessart.org.uk if you have any problems.

This session will be recorded and available to AccessArt members a few days after the event.
