

CPD Recording: Exploring Painting for Art Leads in Primary Schools

In this CPD Zoom recording, we look closely at the principles, processes and techniques of [painting](#), to help art leads deliver training sessions to staff.

We understand that many art leads and newly qualified teachers feel unprepared to teach art. This session will introduce you to the discipline of painting and provide activities and key resources from AccessArt, which you can then use with your staff in a CPD in your school at a later date. The session will be a combination of theory and practice, and no prior knowledge of the area is required.
