Sculpture Project Inspired by Egyptian Wall Painting

By Paula Briggs

This resource shares a project which explored mould making, casting and painting in the creation of a sculpture inspired by Egyptian wallpainting, in particular <u>Nebamun hunting in the</u> marshes, Nebamun's tomb-chapel, which can be seen in the <u>British Museum, London</u>

The project can be adapted for use in KS 2 and 3, and can be used to accompany a study of Egyptian Art / Hieroglyphics.
