

Sculpture

Welcome to AccessArt: Sculpture

AccessArt loves making Sculpture! Find lots of resources on our site which promote open-ended exploration, design through making, creative risk taking and much more.

All resources are adaptable to most age ranges, abilities and contexts. Have fun!

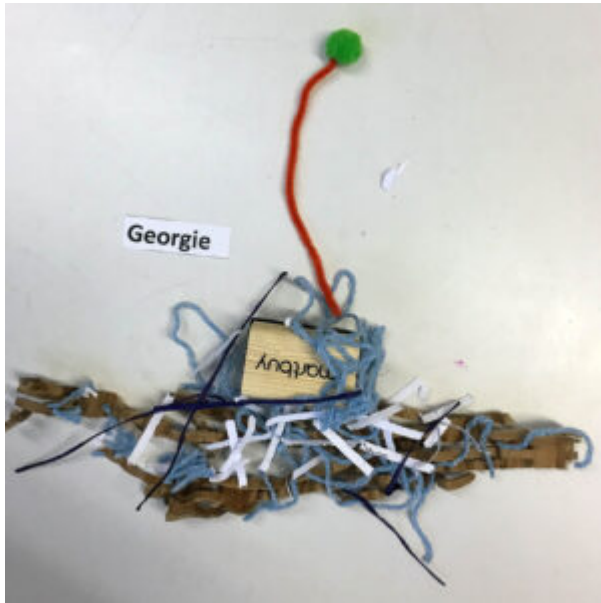

WHAT IS SCULPTURE?

[Explore what sculpture is, or can be.](#)

Dip Your Toes Into Sculpture!

Explore these sample resources to help introduce sculpture to your learners.

roots and shoots

cards to prompt making

40 Minute Cardboard Engineering Challenge

Explore the Work of sculptors

Be inspired by artists who work in three dimensions...

An introduction to sculpture

contemporary sculpture at the saatchi gallery

Faith Bebbington

Explore Sculpture Materials

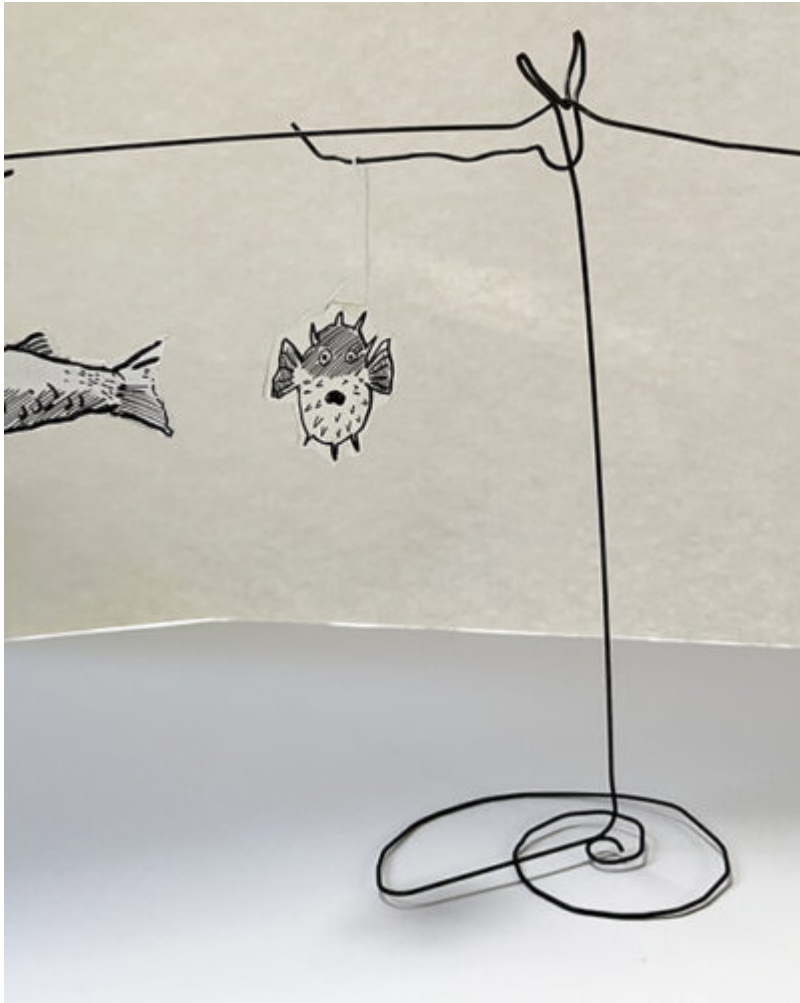

Experiment with different materials to create different constructions and 3d models.

Explore all 3d Making materials [here](#).

Wood

wire

cardboard
