

Session Recording: Adapting AccessArt

To celebrate the launch of the [Adapting AccessArt](#) series, AccessArt ran a Zoom session exploring the different ways in which teachers have, and can, adapt AccessArt resources. We were joined by a panel of primary school teachers who discussed how they have adapted AccessArt resources to fit their curriculum needs and give their pupils the opportunity to thrive.

You may find this recording particularly useful if you're looking for ways to adapt our resources, pathways or create your own curriculum inspired by AccessArt.
