

Session Recording: Artist Educator Spotlight

In this session recording, we celebrated our community of artist educators. We were joined by artist and educator [Jake Spicer](#), founder of [Draw Brighton](#), and co-founder of the [Mawddach Residency](#) in North Wales to hear about how he and his partner [Scarlett Rebecca](#) are transforming a disused Primary School on Mawddach into an art centre where they will teach classes and expand the offer of the Mawddach residency.

This session is aimed at artists and artist educators working in all settings, including home, community, and museum and gallery education.
