

CPD Recording: Class Crit

In this 30-minute session, designed to give you a practical and hands-on introduction to an exercise or approach, Paula Briggs and the AccessArt team show you how you can incorporate class crits into art lessons for a holistic and interactive approach to tracking progression.

This recording supports the final session within each pathway in our [Primary Art Curriculum](#) as we dedicate time to appreciate what has been made, reflect and focus thoughts, and listen to feedback from others.

This recording supports the final session within each Pathway found in our new [Primary Art Curriculum](#).
