

CPD Recording: Making Shadow Puppets

In this 30-minute session, designed to give you a practical and hands-on introduction to an exercise or approach, Paula Briggs and the AccessArt team show you how you can improve cut-out puppet outcomes through the construction of a variety of materials.

Watch the recording and or take part in the exercise at your desk before running a puppet-making session. This recording is perfect for teachers leading the [Shadow Puppets pathway](#).
