

Session Recording: Still Life Pathway

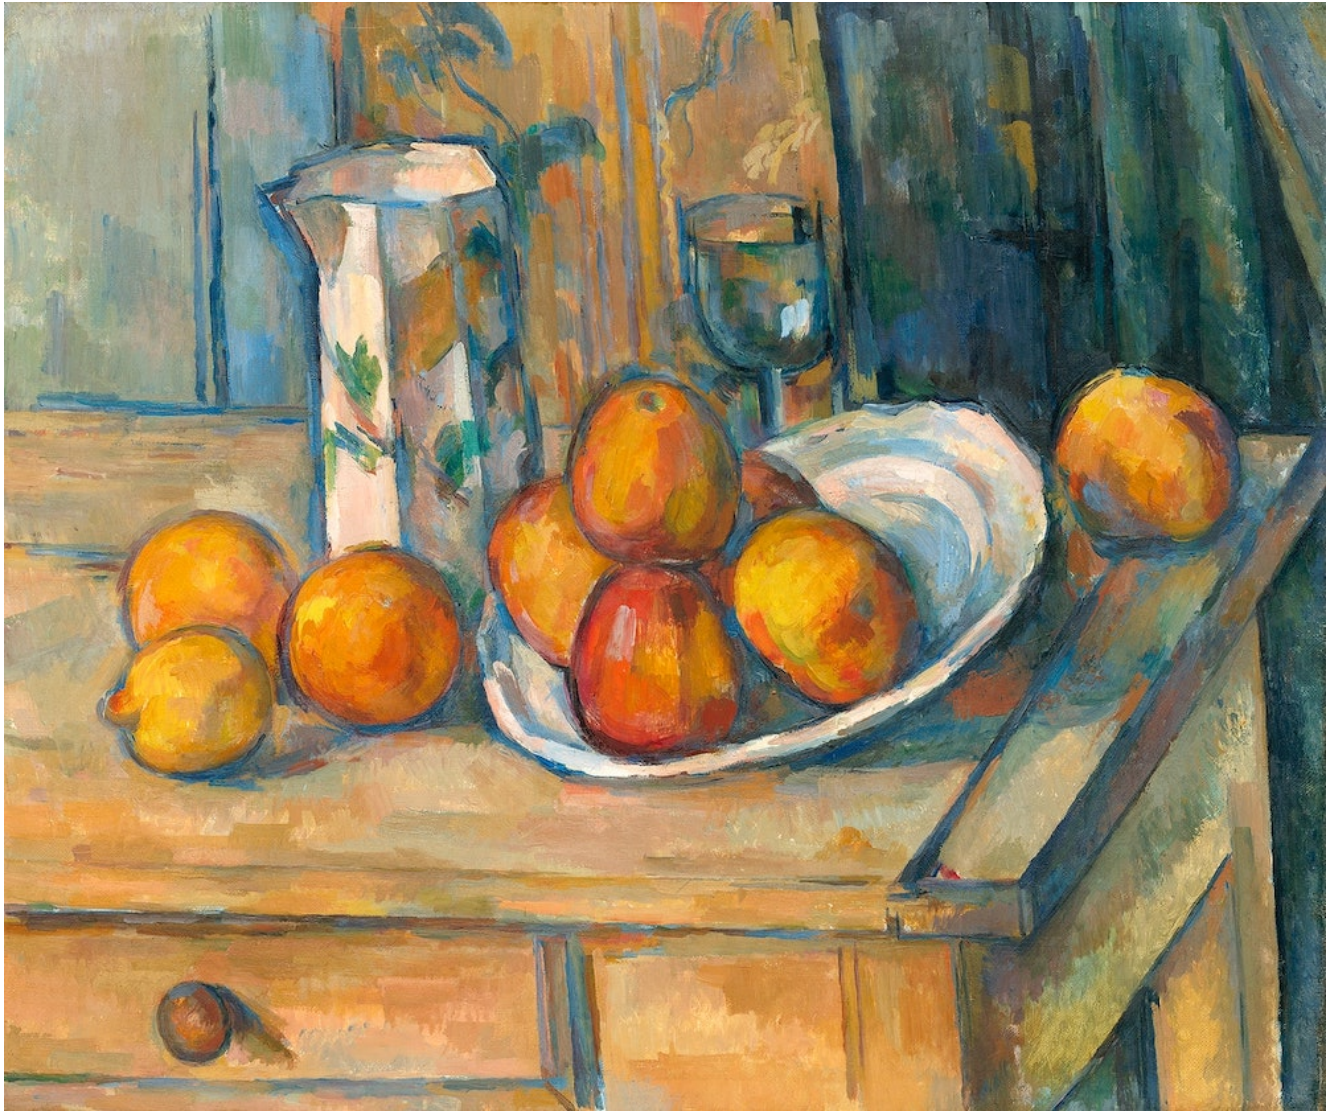

Find a recording of a Zoom session supporting the [Still Life Pathway](#) in our new [Primary Art Curriculum](#).

These pathway support sessions aim to build teacher knowledge around how the AccessArt Primary Art Curriculum pathways are constructed, and how they can be adapted to suit your school.

In this session Paula Briggs and the AccessArt team take you through this pathway aimed at consolidating and developing understanding of how we can use line, shape, colour, texture, form and composition to make work inspired by still life.

Suitable for Art Leads, Classroom Teachers, SLT and other educators. Please note that even if you are not following this pathway, you may find the ideas and approaches relevant to other ages/pathways. The activities in this pathway can also be adapted to other ages and settings.
