

# Shipwrecked! A Shadow Puppet Play by Children Aged 10

By Paula Briggs

The Friday Club

The brand new [AccessArt Friday Club](#) spent a happy six weeks

meeting every Friday evening for one hour. The Friday Club takes place in a small summerhouse, and as the nights drew in and it was dark outside and cosy inside, we decided to turn the summerhouse into a theatre and make a shadow puppet play.

Inline with the [aims](#) of the Friday Club, the sessions were largely directed by the children themselves, giving them plenty of time and space to explore their ideas, and work together in a creative collaboration.
