

Which Artists: We are out of office

By Winneke de Groot and Felix van Dam

We are out of office are a multidisciplinary duo based in Utrecht in the Netherlands. In this post they talk about their creative journey, from making their own DIY screen printing workshop, to the benefits of collaboration, their love for printmaking and how they have adapted their designs into ceramics, rugs and sculptures.

Gabby Savage-Dickson: Felting & Embroidering Sets

What We Like About This Resource...

“It’s really interesting to see how Gabby works across the different disciplines of textiles and illustration in her work, and you can see how the principles of each are present in these beautifully made felt sets. We enjoyed learning how she went between planning and making – showing that the process of creating isn’t completely linear, and that the journey of idea creation can happen through sketching ideas, but also through making itself” – *Andrea, AccessArt*

Inspired! Psyche's Resilience by The Fitzy Peters

Natalie Bailey shares the pupils' Inspire journey and their response to the Renaissance painting of Cupid and Psyche by

Jacopo Del Sellaio at the Fitzwilliam Museum, Cambridge as well as her reflections on the transformative impact that the project had on the children and how Art can support healing and wellbeing.

Abstract Face – Relief Sculptures

In this construction and painting resource, students make an abstract face, relief sculpture from cardboard, adding colour, texture and metal findings. This resource was inspired by the work of Kimmy Cantrell, a self-taught contemporary artist who uses asymmetry to question long-established views around beauty.

Clay ‘Portrait’ Miniatures

This two stage clay and painting resource by artist/educator Sharon Gale is very versatile because essentially the miniatures are blank canvasses. In this particular workshop, the subject matter had to link with KS2 Geography and the topic of rivers. Students were asked to research their favourite creature or plant, that made the British riverside its home. They made their miniatures from clay and painted their chosen wildlife onto them.

Santa comes in all Shapes and Sizes: Yr 3 Make Bouncing Santas!

A fun end of term project that would also be perfect to do at home – making model Santas with character! Jan Miller share a process to make 3D model Santas using simple materials and processes. This activity can be used with children aged 7 to 14 (any KS, 2, 3 children).

All That Glitters...

Teacher and artist Jan Miller shows year three pupils works by the artist Andrew Logan. Pupils then have fun playing with materials that glitter and sparkle, developing their design and making skills to produce personalised brooches, decorative images of celebrities and gorgeous treasure glitter boards. Finally, they explore portrait drawing, creating a sparkly 'selfie'!

Japan: Making Sushi – Recycled Style!

Inspired by research into Japanese culture, children explored the potential and limitations of paper and recycled materials, learning through play and experimentation to make 3D forms.

The outcomes of this process were used to inform work created in a second medium of clay, using kitchen equipment to shape the clay and add textures.
