## **Sara Dudman & Debbie Locke: Flock Together: Interpretation Activities**

### **Introduction to Flock Together**

['Flock Together'](#) was a collaborative project which explored how the artists Sara Dudman and Debbie Locke might work together to make creative contemporary artwork in response to sheep farming.

The exhibition of work took place at the Thelma Hulbert Gallery in Devon. This resource shares information about the

artists, how they worked collaboratively, describes the work they produced and includes suggested activities which you may like to try in the classroom.

We hope this resource provides teachers of all key stages with access to the working practices and resulting artwork of contemporary artists, and shows you how to use their work as inspiration in your classroom.

## **Inspirational Stadium Designs**

Use the film below to enable students to explore inspirational stadiums around the world. Try to create a sense of momentum – for example you might pause the video 4 times and ask the pupils to make a 1 minute, 2 minute, 3 minute and 4 minute drawing at each pause.

Encourage close and slow looking by talking as they draw – use your voice to attract their attention to different qualities.

Try the same exercise using different materials, ie handwriting pen, ink and nib, using a ruler to

make all the lines etc.

When pupils are more experienced, you can also try getting them to make their drawings as the videos play – making quick gestural sketches.
