## A **40 Artist Educator** Resource: Be Inspired by Sara Dudman

Artist Educator Sara Dudman shares a beautifully illustrated resource in which she enables teenagers to work together to create hedgerow-inspired drawings and paintings.

This project was shared with AccessArt as part of the [40 Artist Educator Project](#), funded by Arts Council England, aiming to highlight and celebrate artist-led teaching and facilitation.

Along the Hedgerow by Sara Dudman

"Loosening up and enjoying using colour and paint is central to this activity's aims. This resource provides examples, inspiration and support for creating long collaborative, scroll-style, hedgerow paintings based on drawings and sketches taken on a walk outside and responding to the local environment.
