

# Talking Points: Julie Chen

A collection of imagery and sources designed to introduce students to book artist, Julie Chen.

*Please note that this page contains links to external websites and has videos from external websites embedded. At the time of creating, AccessArt checked all links to ensure content is appropriate for teachers to access. However external websites and videos are updated and that is beyond our control.*

Please [let us know](#) if you find a 404 link, or if you feel content is no longer appropriate.

We strongly recommend as part of good teaching practice that teachers watch all videos and visit all websites before sharing with a class. On occasion there may be elements of a video you would prefer not to show to your class and it is the teacher's responsibility to ensure content is appropriate. Many thanks.

\*If you are having issues viewing videos it may be due to your schools firewall or your cookie selection. Please check with your IT department.\*

This resource is free to access and is not a part of AccessArt membership.

Julie Chen is an artist specialising in books. Her work doubles up as both a traditional book and also a sculpture. Her books can be found in libraries all over the world. Julie Chen's "approach to artists' books combines personal narratives with book forms that present the reader with both intimate reading experience as well as beautiful objects that can be displayed as sculpture." – [National Museum of Women in the Arts](#)

Watch the videos below to see Chen's books come to life. Explore more of Julie's work on her [website](#).

## Questions to Ask Students

What kind of structures and shapes can you see within Julie Chen's books?

What do you like / dislike about the work?

How does Julie use structures to communicate her narrative?

Do you think this is an effective way to communicate a narrative, why?

If you were building a book about the impact of climate change what kind of structures or shapes might you include?
