

Talking Points: Trainer Design

A collection of imagery and sources designed to explore trainer design.

Please note that this page contains links to external websites and has videos from external websites embedded. At the time of creating, AccessArt checked all links to ensure content is appropriate for teachers to access. However, external websites and videos are updated and that is beyond our control.

Please [let us know](#) if you find a 404 link, or if you feel content is no longer appropriate.

We strongly recommend as part of good teaching practice that teachers watch all videos and visit all websites before sharing with a class. On occasion there may be elements of a video you would prefer not to show to your class and it is the teacher's responsibility to ensure content is appropriate. Many thanks.

If you are having issues viewing videos it may be due to your schools firewall or your cookie selection. Please check with your IT department.

Trainer Design

Explore the resources below to start discussions based on design, innovation and the environmental implications of trainer design.

Golden Trainers

Questions to Ask Children

What are the features of these track shoes?

Do you like the gold shoes? Why?

What colour would you like your trainers to be if you were an Olympian?

Tinker Hatfield: Footwear Design

Find highlights of the documentary by exploring the suggested clips below:

Innovation: Predicting Needs for the Future

- Minute 7:41 – 11:23
- Minute 16:00 – 18:45
- Minute 24:36 – 26:20
- Minute 36:36 – 38:00

Working with Athletes

- Minute 19:33 – 24:36
- Minute 27:33 – 29:04

Questions to Ask Children

Which shoe did you like the best? Why?

How can trainer design help with sports performance?

If you could invent some shoes right now, what would they do? Who would they be for?

Sustainability

Find out how manufacturing trainers impacts our environment.

See how design innovation can provide solutions to ease the environmental impact of shoes.

Questions to Ask Children

In pairs, invent some sustainable alternatives that you could use to replace the toxic chemicals used in the production of trainers, e.g. fabrics made from grass – get creative with your inventions!
