## AccessArt Offer to Teachers

Welcome to AccessArt: Teachers Start Here

AccessArt specialises in creating high-quality, transferable, and flexible resources that help you explore all aspects of visual arts in the classroom.

Our resources promote open-ended, creative learning, and we share teaching ideas that have been tried and tested across a wide range of settings. We work with artists, artist educators, and teachers from diverse backgrounds to support you in delivering a rich and inspiring art education for your pupils.

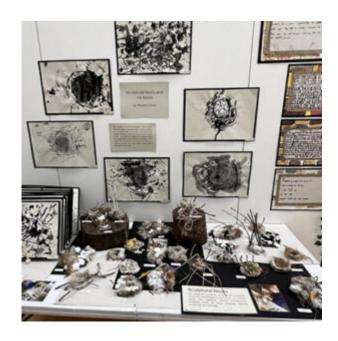

We are a <u>Subject Association for Art</u>, a registered charity, and a member of the British Educational Suppliers Association.
