

Teenagers Paint a Canvas with Scolaquip

By Sheila Ceccarelli

Teenagers were given the chance to explore painting on a canvas and committing some of their ideas and experimentations, from a term's work in sketchbooks, into something more concluded.

In this short, one and a quarter hour session, teenagers were encouraged not to lose their fresh and explorative approach, but at the same time, to work on a 'one-off' piece.

This post aims to share some of the experimentation and approaches that teenagers came up with, to help inspire other students to have a go painting a canvas themselves, even if

for the first time. Enjoy!
