

# Teenagers Visit Norwich University of the Arts

Many thanks to Lynne Simpkin and Sam Webber from [Norwich University of the Arts](#) for making the teenagers from the “[How to Be a Creative Producer](#)” animation project so welcome when we visited the degree show.

Fine Art Degree Show, NUA

The teenagers were given a tour of the animation, architecture, photography, fine art, games art and design, VFX, illustration, and graphic communication shows, seeing at first hand the ethos of the “How to Be a Creative Producer” project at work.

The teenagers also interviewed undergraduates to create video clips which will be used in the project. The clips will be integrated into the animation they teenagers are making.
