

Pathway: Telling Stories Through Drawing & Making

Pathway for Years 3 & 4

Disciplines:

Drawing, Sculpture, Sketchbooks

Key Concepts:

- That we can take inspiration from other artforms such as film and literature and make work in 3 dimensions in response.
- That through making work in another medium we can make the work our own, re-interpreting and re-inventing.
- That we can explore character, narrative and context and create objects (sculptures) which convey these qualities through their form, texture, material, construction and colour.

In this pathway children are enabled to make sculptural equivalents of characters from film and literature.

The pathway begins with an introduction to the work of two artists who use their sketchbooks to help them make the transition from words/film to image/object.

Pupils then use their own sketchbooks to explore their response to the original stimulus, and then go on to develop and make a sculptural character.

The pathway is easily adapted to which ever books/films you are studying in class.

Medium:

Paper, Drawing Materials, Modelling & Construction Materials (Modroc, clay, plasticine etc).

Artists: Rosie Hurley, Inbal Leitner, Roald Dahl, Quentin Blake

Curriculum Links

English: Link to “character” books such as Roald Dahl’s Esio Trot, Dirty Beasts, The Minpins or James and the Giant Peach to inspire making.

Science: Materials, animals, micro habitats.

Maths: 2D/3D shapes, measuring, weight.

PSHE: Responsibility to the planet, collaboration, peer discussion.

I Can...

- I have seen how artists are inspired by other artists often working in other artforms.
- I have understood how artists sometimes use sketchbooks to understand and explore their own response to an artists work.
- I can use my own sketchbook to explore my response to the chosen book/film, making

visual notes, jotting down ideas and testing materials.

- I can make a sculpture using materials to model or construct which is inspired by a character in a book or film.
- I can reflect and share how the way I made my sculpture helps capture my feelings about the original character.
- I can enjoy looking at the sculptures made by my classmates and see ways in which they are different and similar to each other and to the original character.
- I can share my feedback about my classmates work.
- I can take photographs of my work thinking about focus, background and lighting.

This pathway takes 6 weeks, with an hour per week. Shorten or lengthen the suggested pathway according to time and experience. Follow the stages in green for a shorter pathway or less complex journey.

.Aims of the Pathway

This pathway introduces children to the idea that we can use literature and film to inspire our making, and that through making we can retell / re-invent stories.

▪ Week

1:

Introduce

**Be Inspired by Artists and
Illustrators**

Introduce the Illustrator Inbal leitner and hear how she used a sketchbook to develop characters and artwork inspired by a poem through the [“My Tiger Sketchbook”](#) resource.

Use the [“Rosie Hurley: Esio Trot”](#) resource to see how Rosie made a whole 3D set inspired by Roald Dahl’s book, and how she used sketchbooks to help develop and refine her ideas.

Use sketchbooks for [“Making Visual Notes”](#) about techniques and ideas which seem important to the class.

▪ Week

2:

Exploring

Drawing

Using Quentin Blake's Drawings as Inspiration!

Use the "[Inspired by Quentin Blake's Drawings](#)" resource to try three simple exercises to help children draw from life, and explore how we might use exaggeration as a tool to help us convey *the intention* of our drawing.

- Week 3, 4 & 5: Find Your Focus

Begin Making

Choose a piece of literature or poem and take inspiration from one or more of the making resources below.

Remember to use sketchbooks throughout, reminding children of the way Inbal Leitner and Rosie Hurley used their sketchbooks.

Use the [“Play and Explore: The Ingredients and Elements of the Poem”](#) resource to help

support children translate text into imagery.

▪ Option

1

Modroc or Clay Characters

Use the "[Make a Roald Dahl Character](#)" resource to make a 3d sculptural character. This resource uses modroc but you could also use airdry clay.

▪

Or...

▪ Option

Plasticine Characters

Use the [“Plasticine Models and Decorated Plinths inspired by ‘Dirty Beasts’”](#) resource to create sculptures from plasticine and found materials.

▪

Or...

▪ Option

Flying Minpin Characters

Use the "[Flying Minpin Birds](#)" resource to make hanging sculptures.

▪

Or...

▪ Option

James & The Giant Peach Garden

Use the "[James and the Giant Peach Garden](#)" resource to explore making work in a variety of media around one text.

▪ Week 6: Reflect & Discuss

Share and Celebrate the Outcomes

Clear the space and display all work including sketchbooks so that pupils and teachers can appreciate the work.

opportunity to take photographs of their sculptures – thinking about how they can best present and light their sculptures. [Explore how children can take high quality photographs of 3d artwork with this resource.](#)
