Creating Opportunity through Enrichment In the DfE Arts and Culture Strand

The following AccessArt Enrichment Pathways have been created to help schools think about how they might use the DfE Enrichment Framework to create opportunity in their school.

They are designed to inspire and enable schools, acting as starting points, stepping stones or support structures, depending on each school's confidence in delivering enrichment in arts and culture.

Please see "[Helping Schools Meet DfE Enrichment Offer Benchmarks](#)" to understand how our pathways will help your school.

How Much Does It Cost?

The AccessArt Enrichment Offer is free of charge to all schools that hold a [multi-user membership](#)

of AccessArt.
