farfieldmill

The AccessArt Village is on tour and will be at Farfield Mill from the 12th September to the 29nd October 2017.

Thank you so much to Andrea Butler and Sheila Ceccarelli from AccessArt for making the journey to install the exhibition, and to Rosie and Eve at Farfield for all their help. Most of all, thank you to all the contributors, young and old, who made the village so special!

Please find out more about visiting the Village at Farfield, or see our other venues here. And if you can't make the trip then please do enjoy the images below!
