The August Creative Challenge Gallery – Week Four

See the images and comments for the fourth week of the August Creative Challenge below.

If you would like to upload and share your work, follow these simple instructions:

Take photos of your work, as well lit as possible, save to your computer and upload images via the “Leave a Reply” box at the bottom of the Gallery page. If you are using a digital camera, resize images using Picasa, Photoshop or other editing software to a width of approx 600 px. Larger images may not upload. If you take photos with a smart phone, you will not need to resize your images.

Please feel able to comment on other people’s images, and to share your own experience. We hope you will join us for this fun challenge!
