Brilliant Makers Clubs

Do you believe in the power of making? AccessArt does!

I want to set up a Brilliant Makers club as…

An Artist-Educator

A Classroom Teacher

As an Artist-Educator, you can set up, plan and deliver a club within a school or community setting. Take the **Brilliant Makers pledge,** establish your setting and plan your club using our **Brilliant Makers resources**!

As a classroom teacher, you can set up a club for your own

class, or for a range of children in the school. Clubs can run at lunch time or after school and time can be saved on planning by using our designated **Brilliant Makers resources.**

See our Brilliant Makers resources here.

A selection of AccessArt resources to inspire Brilliant Making!

Practical Resources for Workshop Organisers

New to Leading Workshops? Find practical guidance and info here…

Insurance for Workshops

Web links to help you find the right insurance for your workshops

Working with Children and Vulnerable Adults

See AccessArt's policy as an exemplar

Document your Teaching & add it to the AccessArt Resource Pot!

And get paid for your contribution!
