

The Sketchbook Journey

Start Your Sketchbook Journey

The AccessArt Sketchbook Journey has been designed to help you instigate, explore, and develop creative sketchbook use.

We'll help you think about:

- What sketchbooks are, and how they can enrich creativity.
- What kinds of activities take place in sketchbooks, and when and how to use them.
- What sketchbook content might look like.
- How to use sketchbooks as tools for reflection and discussion.

The Secret Powers of Sketchbooks

Watch the rest of 'The Secret Powers of Sketchbooks' videos [here](#).

The AccessArt Sketchbook Journey is an evolving collection of resources that we have been commissioning and curating for many years. Read [Introduction to the AccessArt Sketchbook Journey](#) by Paula Briggs

Whether for children, teenagers, young people, or adults, the AccessArt Sketchbook Journey helps build an understanding of what sketchbooks can offer us and how they can be used to enrich

creativity.

Begin your Journey Here...

Step 1: buying and making sketchbooks

Would you prefer to buy standard sketchbooks or make your own?

Step 2: Understand

What is a sketchbook? What happens inside a sketchbook? Let's lift the lid and better understand the potential. See the Resources

Step 3: Explore and Practise

Making time for sketchbooks and exploring sketchbook activities. Find out what a sketchbook journey might look like through our collection of inspiring resources.

Step 4: Reflect

Using sketchbooks as an opportunity to understand more about our creativity, and share our thoughts.

Step 5: Sketchbooks in Action

Be inspired by the sketchbooks of artists, teachers and children.
