

Visual Arts Planning: Life Drawing

[<< Go Back To Our Visual Arts Planning Collection](#)

Drawing from life can feel daunting, especially with the pressure to get it “right,” but there are many simple exercises that help young learners engage with it and grow in confidence. Explore resources centred on drawing from life, using close seeing and mark-making to bring faces and figures to life.

Tell us what you are planning to cover or explore this term in your school or institution and we'll recommend resources or learning approaches which we think might feed your teaching.
