

# **Visual Arts Planning: Exploring the Culture of a Country**

You can see all current topics in our visual arts planning series [here](#).

If you are a member of AccessArt please use the form at the bottom of that page if you would like help to integrate visual arts around a particular theme or topic.

Below are a selection of resources that can be used as jumping off points for an exciting exploration of a country's culture.

## **Pattern, Textiles and Collage**
