What We Like About This

Resource...

“It’s always so inspiring to hear how different artists work and we particularly like the detailed references Jake makes to his process – marking out the composition using neutral tones; adding and taking away compositional elements and gradually building in more colour and detail. Delivering a still life session in a classroom could begin with this process and encourage the practice of looking at positive and negative space. Some suggested resources below also touch on this”. – *Rachel, AccessArt*
