

# Which Artists: Rachel Parker

By Rachel Parker

Rachel Parker is a talented surface pattern designer based in the UK. With early success at the New Designers show, she has since gone onto design patterns for Studio Flock and Dashwood Studio. In this post Rachel shares her creative process from sketchbook to final design, and talks about how she gets inspired by everyday life! This post would be of interest to secondary students who would like to see the journey of a designer from A level to a successful creative.
