

Winter Still Life

By Sheila Ceccarelli

Teenagers from AccessArt's Experimental Drawing Class, explored building a layered drawing of a winter still life, during a one and a quarter hour session, on a dark, December evening.

Winter Still Life

The idea was to use a combination of drawing, collage, print making and mixed media to create a drawing or seasonal greeting card.

We used very simple printmaking techniques, drawing on foam board and using an office ink pad to print simple shapes over collaged and drawn elements.
