

# Word and Image: Creating New Narratives

By [Joe Gamble](#)

*In this simple exercise, learners will explore the relationship between word and image through collage, experimenting with how combining the two can change context, create new narratives, and form stories in the process. They will use sketchbooks, collage and typography as a part of this exploration.*

*This exercise can be completed in 1-2 hours or spread out across a few sessions, depending on the abilities of learners or the time available. This resource is suitable for learners ages 16 and up.*
