

Tailored Zoom CPD for Primary Art

I enjoyed the whole course – was the best hour and a half of CPD ever and didn't want it to end.

AccessArt Is pleased to offer zoom-based CPD/Inset for primary teachers. In addition to our rolling program, we offer tailored inset for individual schools or clusters.

Please email us with your requirements and we will be pleased to discuss.

Areas of specialism include drawing, sketchbooks, painting, printmaking and making, in addition to pedagogical areas such as assessment, curriculum planning, progression, creative risk taking, teaching for the journey and progression and planning.

Timing of Sessions

We have limited capacity to deliver tailored sessions, and our slots tend to get booked up very quickly. We are now taking bookings for tailored CPD sessions for academic year 2023/24 onwards, so pls get in touch at the earliest opportunity.

Costs

£400 for a half day, twilight or after school session with up to 15 members of staff. £15 for each additional member of staff.

AccessArt Recorded CPD

A more cost effective way to train your teachers is to join AccessArt so that you can access recordings of past CPD sessions. We have a growing catalogue of sessions which can help train your staff in many areas.

External Consultants

We have limited capacity to deliver tailored sessions, but there are many expert free lance consultants who might be able to help you if we are unable to diarise a session.

Please note the art educationalists below are not employed by AccessArt. We do not guarantee their work, and the rates they charge may vary. Please contact them directly.
