Zoom CPD

upcoming Zoom CPD

AccessArt is committed to helping educators and artists develop their passion for teaching art, and to better understand the AccessArt approach.

We do this through:

- A programme of Zoom sessions (below). The majority of our Zoom CPD sessions are offered <u>free</u> <u>of charge to AccessArt members</u>, whilst our collaborative CPD is offered at a reduced price for AccessArt members.
- Our evolving <u>library of recorded sessions</u>, available for <u>AccessArt members</u> to access.
- Our <u>in-person sessions</u> at our studio in Cambridgeshire. Our in-person sessions at the AccessArt Lab provide an opportunity for participants to help test and create content for the AccessArt website, and at the same time to inspire new ways of thinking about visual arts pedagogy.
- The AccessArt Artist Educator Network

Aimed at: Teachers of all Key Stages, SLT, Parents

Information Session by AccessArt, in the light of the recently released Curriculum and Assessment Review "Building a world-class curriculum for all"

After the Curriculum and Assessment Review released their findings in the "Building a world-class curriculum for all" earlier this month, and the government released their response, we ask what might teachers expect in terms of the timescales and intentions for any revised curriculum for Art, Craft and Design Education?

This short, 30-minute session aims to provide teachers (all Key Stages) and SLT with a summary of the Curriculum & Assessment Review, and the government response, in relation to art, craft and design education. As a Subject Association for Art, we'll share what we know so far, our thoughts and reflections, and answer any questions we can.

The session is free of charge for all AccessArt members and non-members.

The session will be recorded for those who can't attend and available via the AccessArt website (www.accessart.org.uk) after the event.
